

Digital photo & video

- All parents / carers and participants of MIH will be asked to sign the internet use, digital photo and video permission slip .
- If parents refuse permission a record will be kept in the MIH Handbook and all adults made aware prior to each session.
- Only MIH cameras and iPads must be used for this purpose. Volunteers should only use MIH cameras under the guidance of the Activity Leader. Mobile phones should only be used for emergency purposes.
- No photos should be used on personal social media accounts.
- Once permission forms are signed and returned, MIH will ensure controlled use of all photos and videos. Any photographs, video recordings or other digital data taken at MIH will not be reproduced or made available outside of the center. Express permission must be sought from the Activity leader prior to any outside use. " If photographic or video projects that are not routine or planned, parents will be informed beforehand and be asked to sign additional consent forms.
